Nornir

RRID:SCR_016458

Type: Tool

Proper Citation

Nornir (RRID:SCR_016458)

Resource Information

URL: <http://www.nitrc.org/projects/nornir/>

Proper Citation: Nornir (RRID:SCR_016458)

Description: Software application to take large sets of overlapping images in 2D and 3D and produce registered 3D volumes of any size and scale. Registered slices may be exported as a single large images or viewed/annotated with Viking viewer. Used on transmission electron microscopy, scanning electron microscopy images, and light microscopy images.

Resource Type: software toolkit, data acquisition software, software application, software resource, data processing software, image acquisition software

Keywords: overlapping, image, 2D, 3D, produce, registered, aligned, 3D volume, microscopy

Availability: Free, Available for download, Freely available

Resource Name: Nornir

Resource ID: SCR_016458

Alternate URLs: <https://github.com/nornir/>, <http://nornir.github.io/>

License: Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International

Record Creation Time: 20220129T080330+0000

Record Last Update: 20260801T042758+0000

Ratings and Alerts

No rating or validation information has been found for Nornir.

No alerts have been found for Nornir.
