## 1000 Fungal Genome Project

RRID:SCR\_016463

Type: Tool

### Proper Citation

1000 Fungal Genome Project (RRID:SCR\_016463)

### Resource Information

**URL:** <https://genome.jgi.doe.gov/programs/fungi/1000fungalgenomes.jsf>

**Proper Citation:** 1000 Fungal Genome Project (RRID:SCR\_016463)

**Description:** Web application to provide genomic information for fungi. Includes sequenced fungal genomes, those in progress, and selected nominations. Nomination of new species for genome sequencing in the families or only one reference genome possible after providing DNA/RNA samples for their sequencing. Used to explore the diversity of fungi important for energy and the environment.

**Resource Type:** data access protocol, data or information resource, database, organism-related portal, portal, project portal, software resource, topical portal, web service

**Keywords:** project, genomic, information, fungi, data, sequence, energy, environment

**Funding:** the DOE Office of Biological and Environmental Research (BER)

**Availability:** Free, Register for an account

**Resource Name:** 1000 Fungal Genome Project

**Resource ID:** SCR\_016463

**Record Creation Time:** 20220129T080330+0000

**Record Last Update:** 20260821T194054+0000

### Ratings and Alerts

No rating or validation information has been found for 1000 Fungal Genome Project.

No alerts have been found for 1000 Fungal Genome Project.
