Resource Information

URL: <http://cajadb.neuro.ufrn.br>

Proper Citation: CajaDB (RRID:SCR_016506)

Description: Software application as an integrated web resource of marmoset biological data. Used to find genomic, expression and alternative splicing data to facilitate the study of animal model for neuropsychiatric and social behavior research and to support biological analyses such as functional (ontology) enrichment analysis and protein-protein-network.

Resource Type: software resource, data or information resource, web application, database

Keywords: marmoset, data, genomic, expression, alternative, splicing, animal, model, neuropsychiatry, social, behavior, ontology, protein, network

Funding: Amazonas State Research Support Foundation ;
Federal University of Rio Grande do Norte ;
Brain Institute ;
Multidisciplinary Environment ;
NPAD/UFRN ;
Brazilian Council for Research and Technological Development

Availability: Free, Freely available

Resource Name: CajaDB

Resource ID: SCR_016506

Record Creation Time: 20220129T080331+0000

Record Last Update: 20260801T042759+0000
