Memorial Sloan Kettering Cancer Center Antibody and Bioresource Core Facility

RRID:SCR_017691
Type: Tool

Proper Citation

Memorial Sloan Kettering Cancer Center Antibody and Bioresource Core Facility (RRID:SCR_017691)

Resource Information

URL: https://www.mskcc.org/research/ski/core-facilities/monoclonal-antibody-core-facility

Proper Citation: Memorial Sloan Kettering Cancer Center Antibody and Bioresource Core Facility (RRID:SCR_017691)

Description: ABCF can provide MAbs from established hybridomas for RESEARCH PURPOSES ONLY, can assist in generating MAbs, offers a weekly mycoplasmal contamination screening service for tissue culture samples, distributes cell lines developed at Memorial Sloan Kettering Cancer Center and Rockefeller University.

Abbreviations: ABCF

Synonyms: Antibody and Bioresource Core Facility

Resource Type: core facility, service resource, access service resource

Keywords: Monoclonal, antibody, hybridoma, mycoplasma, screening, service, tissue, culture, sample, cell, line, core

Funding: NCI P30 CA008748

Availability: Restricted

Resource Name: Memorial Sloan Kettering Cancer Center Antibody and Bioresource Core Facility

Resource ID: SCR_017691

Alternate IDs: SCR_017709, ABRF_51

Alternate URLs: https://ilab.mskcc.org/service_center/show_external/3451, https://coremarketplace.org/?FacilityID=85

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260801T191239+0000

Ratings and Alerts

No rating or validation information has been found for Memorial Sloan Kettering Cancer Center Antibody and Bioresource Core Facility.

No alerts have been found for Memorial Sloan Kettering Cancer Center Antibody and Bioresource Core Facility.
