DoubletFinder

RRID:SCR_018771

Type: Tool

Proper Citation

DoubletFinder (RRID:SCR_018771)

Resource Information

URL: <https://github.com/chris-mcginnis-ucsf/DoubletFinder>

Proper Citation: DoubletFinder (RRID:SCR_018771)

Description: Software R package that predicts doublets in single cell RNA sequencing data. Doublet detection in single cell RNA sequencing data using artificial nearest neighbors. Identifies doublets using only gene expression data.

Resource Type: data processing software, data analysis software, software application, software resource

Defining Citation: [PMID:30954475](https://pubmed.ncbi.nlm.nih.gov/30954475/)

Keywords: Doublet detection in single cell RNA, single cell RNA, doublet detection, RNA sequencing data, gene expression data, artificial nearest neighbors

Funding: Department of Defense Breast Cancer Research Program ;
NICHD DP2 HD080351;
NSF MCB 1330864;
UCSF Center for Cellular Construction ;
NSF Science and Technology Center ;
Damon Runyon Cancer Research Foundation

Availability: Free, Available for download, Freely available

Resource Name: DoubletFinder

Resource ID: SCR_018771

Record Creation Time: 20220129T080341+0000

Record Last Update: 20260801T042821+0000

Ratings and Alerts

No rating or validation information has been found for DoubletFinder.

No alerts have been found for DoubletFinder.
