Computational Anatomy Toolbox for SPM

RRID:SCR_019184

Type: Tool

Proper Citation

Computational Anatomy Toolbox for SPM (RRID:SCR_019184)

Resource Information

URL: <http://www.neuro.uni-jena.de/cat/>

Proper Citation: Computational Anatomy Toolbox for SPM (RRID:SCR_019184)

Description: Software toolbox as extension to SPM12 to provide computational anatomy. This covers diverse morphometric methods such as voxel based morphometry, surface based morphometry, deformation based morphometry, and region or label based morphometry.

Abbreviations: CAT

Synonyms: CAT12

Resource Type: software toolkit, software resource, data processing software, software application, data analysis software

Keywords: MRI, neuroimaging, brain, voxel based morphometry, surface based morphometry, deformation based morphometry, label based morphometry, region based morphometry

Availability: Free, Available for download, Freely available

Resource Name: Computational Anatomy Toolbox for SPM

Resource ID: SCR_019184

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260803T040758+0000

Ratings and Alerts

No rating or validation information has been found for Computational Anatomy Toolbox for SPM.

No alerts have been found for Computational Anatomy Toolbox for SPM.
