COMPASS

RRID:SCR_022329

Type: Tool

Proper Citation

COMPASS (RRID:SCR_022329)

Resource Information

URL: <https://edspace.american.edu/openbehavior/project/compass/>

Proper Citation: COMPASS (RRID:SCR_022329)

Description: Non invasive, infrared activity and sleep measurement system that uses passive infrared sensors and Arduino microprocessor. Publication provides protocol for assembling COMPASS as well as provides support protocols and python scripts for data analysis, best practices for optimum results, troubleshooting, and alternative protocols for different use scenarios.

Synonyms: Continuous Open Mouse Phenotyping of Activity and Sleep Status

Resource Type: instrument resource, portal, data or information resource, project portal

Defining Citation: [DOI:10.1002/cpmo.81](https://doi.org/10.1002/cpmo.81)

Keywords: OpenBehavior, Instrument, behavior apparatus, behavior measurement, sleep tracking, infrared sensors, Arduino microprocessor

Resource Name: COMPASS

Resource ID: SCR_022329

Alternate URLs: <https://github.com/MRC-Harwell/sleep-tracking>

Record Creation Time: 20220602T050139+0000

Record Last Update: 20260805T044504+0000

Ratings and Alerts

No rating or validation information has been found for COMPASS.

No alerts have been found for COMPASS.

Data and Source Information
