Fred Hutchinson Cancer Center Electron Microscopy Core Facility

RRID:SCR_022611

Type: Tool

Proper Citation

Fred Hutchinson Cancer Center Electron Microscopy Core Facility (RRID:SCR_022611)

Resource Information

URL: <https://www.fredhutch.org/en/research/shared-resources/core-facilities/electron-microscopy.html>

Proper Citation: Fred Hutchinson Cancer Center Electron Microscopy Core Facility (RRID:SCR_022611)

Description: Offers techniques to resolve structures from cellular ultrastructure to molecular interactions. Offers expertise in EM sample preparation and imaging, cryogenic electron microscopy, technologies and services, training through complexities of electron microscopy workflow, from sample preparation to image processing. All users must be trained by core staff.

Synonyms: Fred Hutchinson Cancer Center Electron Microscopy Shared Resource

Resource Type: core facility, service resource, access service resource

Keywords: electron microscopy sample preparation and imaging, cryogenic electron microscopy, image processing, electron microscopy workflow expertise, ABRF, USEDit, NACCSR

Availability: Open

Resource Name: Fred Hutchinson Cancer Center Electron Microscopy Core Facility

Resource ID: SCR_022611

Alternate IDs: ABRF_1535

Alternate URLs: https://coremarketplace.org/RRID:SCR_022611/?citation=1

Record Creation Time: 20220802T050144+0000

Record Last Update: 20260801T191251+0000

Ratings and Alerts

No rating or validation information has been found for Fred Hutchinson Cancer Center Electron Microscopy Core Facility.

No alerts have been found for Fred Hutchinson Cancer Center Electron Microscopy Core Facility.
