University of California at San Diego Institute for Genomic Medicine Genomics Center Core Facilitiy

RRID:SCR_022740
Type: Tool

Proper Citation

University of California at San Diego Institute for Genomic Medicine Genomics Center Core Facilitiy (RRID:SCR_022740)

Resource Information

URL: http://igm.ucsd.edu/genomics/

Proper Citation: University of California at San Diego Institute for Genomic Medicine Genomics Center Core Facilitiy (RRID:SCR_022740)

Description: Provides services including sequencing library preparation and sequencing on Illumina MiSeq and NovaSeq 6000 platforms. Supports single cell sequencing on 10X Genomics Chromium Controller. Provides Illumina Infinium Beadchips, which includes variety of whole genome genotyping arrays as well as Infinium MethylationEPIC BeadChip.

Synonyms: UCSD IGM Genomics Center

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF, sequencing library preparation, sequencing, single cell sequencing, whole genome genotyping arrays

Funding: NIH Office of the Director S10 OD026929;
NIDDK P30DK063491;
NCI P30CA023100;
NIDDK P30DK120515

Resource Name: University of California at San Diego Institute for Genomic Medicine Genomics Center Core Facilitiy

Resource ID: SCR_022740

Alternate IDs: ABRF_1025

Alternate URLs: https://coremarketplace.org/?FacilityID=1025&citation=1

Record Creation Time: 20220915T050143+0000

Record Last Update: 20260801T191239+0000

Ratings and Alerts

No rating or validation information has been found for University of California at San Diego Institute for Genomic Medicine Genomics Center Core Facilitiy.

No alerts have been found for University of California at San Diego Institute for Genomic Medicine Genomics Center Core Facilitiy.
