ggsignif

RRID:SCR_023047

Type: Tool

Proper Citation

ggsignif (RRID:SCR_023047)

Resource Information

URL: <https://CRAN.R-project.org/package=ggsignif>

Proper Citation: ggsignif (RRID:SCR_023047)

Description: Software package to indicate if two groups are significantly different. Used to add significance brackets to ggplots.

Resource Type: data processing software, data analysis software, software application, software resource

Keywords: indicate if two groups are significantly different, add significance brackets

Availability: Free, Available for download, Freely available

Resource Name: ggsignif

Resource ID: SCR_023047

Alternate URLs: <https://github.com/const-ae/ggsignif>

License: GPL v3

Record Creation Time: 20221215T050202+0000

Record Last Update: 20260801T190803+0000

Ratings and Alerts

No rating or validation information has been found for ggsignif.

No alerts have been found for ggsignif.

Data and Source Information

Usage and Citation Metrics

We found 14 mentions in open access literature.

Listed below are recent publications. The full list is available at [T1D](#) .
