Proper Citation: AllenDigger (RRID:SCR_023812)

Description: Software tool for spatial expression data visualization, spatial heterogeneity delineation and single cell registration based on Allen Brain Atlas. Software toolkit to collect and preprocess expression data from Allen Brain Atlas and allow query to visualize spatial distribution of genes of interest, characterize spatial heterogeneity of brain, and register cells from single-cell transcriptomics data to fine anatomical brain regions via machine learning methods with high accuracy.

Resource Type: software toolkit, software resource

Defining Citation: [PMID:36926884](#)

Keywords: Allen Mouse Brain Atlas, spatial expression data visualization, spatial heterogeneity delineation, single cell registration, spatial gene expression,

Availability: Free, Available for download, Freely available

Resource Name: AllenDigger

Resource ID: SCR_023812

Record Creation Time: 20230721T050220+0000

Record Last Update: 20260803T040905+0000

Ratings and Alerts
