sjplot

RRID:SCR_024307

Type: Tool

Proper Citation

sjplot (RRID:SCR_024307)

Resource Information

URL: <https://cran.r-project.org/web/packages/sjPlot/index.html>

Proper Citation: sjplot (RRID:SCR_024307)

Description: Software R package as collection of plotting and table output functions for data visualization. Results of various statistical analyses that are commonly used in social sciences can be visualized using this package, including simple and cross tabulated frequencies, histograms, box plots, generalized linear models, mixed effects models, principal component analysis and correlation matrices, cluster analyses, scatter plots, stacked scales, effects plots of regression models including interaction terms. This package supports labelled data.

Resource Type: software toolkit, software resource

Keywords: data visualization, simple and cross tabulated frequencies, histograms, box plots, generalized linear models, mixed effects models, principal component analysis and correlation matrices, cluster analyses, scatter plots, stacked scales, effects plots of regression models including interaction terms,

Availability: Free, Available for download, Freely available,

Resource Name: sjplot

Resource ID: SCR_024307

Alternate URLs: <https://sources.debian.org/src/r-cran-sjplot/>

License: GPL-3

Record Creation Time: 20230830T050217+0000

Record Last Update: 20260729T044603+0000

Ratings and Alerts

No rating or validation information has been found for sjplot.

No alerts have been found for sjplot.
