Proper Citation: PyMOL (RRID:SCR_000305)

Description: A user-sponsored molecular visualization software system on an open-source foundation. The software has the capabilities to view, render, animate, export, present and develop three dimensional molecular structures.

Resource Type: 3d visualization software, data processing software, data visualization software, software application, software resource

Keywords: visualization, molecule, 3d, molecular structure visualization, molecular visualization system,

Availability: Restricted

Resource Name: PyMOL

Resource ID: SCR_000305

Alternate IDs: nlx_156834, OMICS_03802

Alternate URLs: <https://sources.debian.org/src/pymol/>

Record Creation Time: 20220129T080200+0000

Record Last Update: 20260903T234329+0000
