DicomWorks

RRID:SCR_001195

Type: Tool

Proper Citation

DicomWorks (RRID:SCR_001195)

Resource Information

URL: <http://www.softpedia.com/get/Science-CAD/DicomWorks.shtml>

Proper Citation: DicomWorks (RRID:SCR_001195)

Description: Software to help users work with DICOM files by organizing, managing and analyzing them. Key features: * a smart DICOM viewer with 4 panel display, annotations, arrows, multimodality synchronization, etc... * an export wizard to the most common picture or movie file formats * an export wizard to Microsoft PowerPoint * the most simple and compatible DICOM CD-ROM reader * the most simple and smart DICOM CD-ROM WRITER * an archiving solution with lossless compression of the data * a DICOM creation module to dicomize images from any image source (even video capture) * e-mail or FTP import and export functions (teleradiology) * 16 native localized versions

Abbreviations: DicomWorks

Resource Type: software resource, software application

Defining Citation: [PMID:17333414](#), [PMID:18003565](#)

Keywords: dicom, windows, radiology, image analysis, anonymization, protocol, export, powerpoint, surface analysis, visualization

Availability: Free

Resource Name: DicomWorks

Resource ID: SCR_001195

Alternate IDs: nif-0000-00288

Alternate URLs: <http://www.dicomworks.com>

Record Creation Time: 20220129T080206+0000

Record Last Update: 20260813T054821+0000

Ratings and Alerts

No rating or validation information has been found for DicomWorks.
