CGHcall

RRID:SCR_001578

Type: Tool

Proper Citation

CGHcall (RRID:SCR_001578)

Resource Information

URL: <http://www.bioconductor.org/packages/2.12/bioc/html/CGHcall.html>

Proper Citation: CGHcall (RRID:SCR_001578)

Description: Software that calls aberrations for array CGH data using a six state mixture model and several biological concepts. It is written in R.

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: cgh data analysis, objective classification, data aberration

Availability: Free, Available for download, Freely available

Resource Name: CGHcall

Resource ID: SCR_001578

Alternate IDs: OMICS_00709

License: General Public License

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260919T194943+0000

Ratings and Alerts

No rating or validation information has been found for CGHcall.

No alerts have been found for CGHcall.

Data and Source Information

Usage and Citation Metrics

We found 32 mentions in open access literature.

Listed below are recent publications. The full list is available at [T1D](#) .
