### Resource Information

**URL:** <http://www.bisti.nih.gov/>

**Proper Citation:** Biomedical Information Science and Technology Initiative (RRID:SCR\_003123)

**Description:** A consortium of representatives from each of the NIH institutes and centers. BISTI was established in May 2000 to serve as the focus of biomedical computing issues at the NIH. The mission of BISTI is to make optimal use of computer science and technology to address problems in biology and medicine by fostering new basic understandings, collaborations, and transdisciplinary initiatives between the computational and biomedical sciences. In support of this mission, the BISTI coordinates research grants, training opportunities, and scientific symposia associated with biomedical computing. Regular monthly meetings are conducted to discuss program status, future needs and directions, and topics of interest to the bioinformatics community.

**Abbreviations:** BISTI

**Synonyms:** Biomedical Information Science Technology Initiative, BITSI - Biomedical Information Science and Technology Initiative, Biomedical Information Science & Technology Initiative

**Resource Type:** data or information resource, funding resource, meeting resource, organization portal, portal, training resource

**Keywords:** grant, funding opportunity, computer science, technology, biology, medicine, collaboration, transdisciplinary initiative, computation, biomedical sciences, bioinformatics, informatics

**Funding:** NIH Blueprint for Neuroscience Research

**Availability:** Free, Freely available

**Resource Name:** Biomedical Information Science and Technology Initiative

**Resource ID:** SCR\_003123

**Alternate IDs:** nif-0000-00560

**Alternate URLs:** <https://stip.oecd.org/stip/interactive-dashboards/policy-initiatives/2021%2Fdata%2FpolicyInitiatives%2F25417>

**Record Creation Time:** 20220129T080217+0000

**Record Last Update:** 20260903T234600+0000

---

## Ratings and Alerts

No rating or validation information has been found for Biomedical Information Science and Technology Initiative.

No alerts have been found for Biomedical Information Science and Technology Initiative.
