GeneCommittee

RRID:SCR_004168

Type: Tool

Proper Citation

GeneCommittee (RRID:SCR_004168)

Resource Information

URL: <http://sing.ei.uvigo.es/GC/>

Proper Citation: GeneCommittee (RRID:SCR_004168)

Description: Tool for extensively testing the discriminatory power of biologically relevant gene sets in microarray data classification. While the user can work with different gene set collections and several microarray data files to configure specific classification experiments, the tool is able to run several tests in parallel. It is able to render valuable information for diagnostic analyses and clinical management decisions based on systematically evaluating custom hypothesis over different data sets using complementary classifiers, a key aspect in clinical research.

Abbreviations: geneCommittee

Resource Type: analysis service resource, data analysis service, production service resource, service resource, software resource

Defining Citation: [PMID:24475928](https://pubmed.ncbi.nlm.nih.gov/24475928/)

Keywords: dna, microarray, rna-seq, gene expression, classification, gene set, gene, gene set enrichment, functional annotation

Availability: Acknowledgement requested

Resource Name: GeneCommittee

Resource ID: SCR_004168

Alternate IDs: OMICS_02291

Alternate URLs: <https://github.com/michada/GeneCommittee>

Record Creation Time: 20220129T080223+0000

Record Last Update: 20260912T195610+0000

Ratings and Alerts

No rating or validation information has been found for GeneCommittee.

No alerts have been found for GeneCommittee.
