BSeQC

RRID:SCR_005428

Type: Tool

Proper Citation

BSeQC (RRID:SCR_005428)

Resource Information

URL: <http://code.google.com/p/bseqc/>

Proper Citation: BSeQC (RRID:SCR_005428)

Description: A quality control software package specially for bisulfite sequencing experiments. It can comprehensively evaluate the quality of BS-seq experiments and automatically trim nucleotides with potential technical biases. In addition, BSeQC also support removing duplicate reads and keeping one copy of the overlapping segment in paired-end sequencing.

Abbreviations: BSeQC

Synonyms: BSeQC: Quality Control of bisulfite sequencing experiments

Resource Type: software resource

Keywords: bisulfite sequencing, bisulfite, sequencing

Availability: Artistic License, GNU General Public License

Resource Name: BSeQC

Resource ID: SCR_005428

Alternate IDs: OMICS_00572

Record Creation Time: 20220129T080230+0000

Record Last Update: 20260919T195053+0000

Ratings and Alerts

No rating or validation information has been found for BSeQC.

No alerts have been found for BSeQC.
