GENOCHECK

RRID:SCR_009203

Type: Tool

Proper Citation

GENOCHECK (RRID:SCR_009203)

Resource Information

URL: <http://softlib.rice.edu/geno.html>

Proper Citation: GENOCHECK (RRID:SCR_009203)

Description: Software application designed to identify genotypes that are likely to be errors. The statistical method was designed to identify typing error rather than pedigree errors, but is general enough to pinpoint any unlikely genotype still consistent with Mendelian inheritance. (entry from Genetic Analysis Software)

Abbreviations: GENOCHECK

Synonyms: GenoCheck

Resource Type: software resource, software application

Keywords: gene, genetic, genomic, c, unix

Resource Name: GENOCHECK

Resource ID: SCR_009203

Alternate IDs: nlx_154345

Record Creation Time: 20220129T080251+0000

Record Last Update: 20260808T190459+0000

Ratings and Alerts

No rating or validation information has been found for GENOCHECK.

No alerts have been found for GENOCHECK.
