GRETNA

RRID:SCR_009487

Type: Tool

Proper Citation

GRETNA (RRID:SCR_009487)

Resource Information

URL: <http://www.nitrc.org/projects/gretna/>

Proper Citation: GRETNA (RRID:SCR_009487)

Description: A graph theoretical network analysis toolbox which allows researchers to perform comprehensive analysis on the topology of brain connectome by integrating the most of network measures studied in current neuroscience field.

Abbreviations: GRETNA

Resource Type: data processing software, software application, software resource

Keywords: computational neuroscience, eeg, meg, electrocorticography, magnetic resonance, pet, spect

Availability: GNU General Public License

Resource Name: GRETNA

Resource ID: SCR_009487

Alternate IDs: nlx_155634

Record Creation Time: 20220129T080253+0000

Record Last Update: 20260903T235940+0000

Ratings and Alerts

No rating or validation information has been found for GRETNA.

No alerts have been found for GRETNA.

Data and Source Information

Usage and Citation Metrics

We found 493 mentions in open access literature.

Listed below are recent publications. The full list is available at [T1D](#) .
