Proper Citation: CiteAb (RRID:SCR_009653)

Description: Citation-ranked antibody search engine that provides a simple way to find antibodies that work. They use the number of citations as a transparent method to rank antibodies. Nobody can pay to be ranked higher. They are always looking for more commercial and academic antibodies to make CiteAb better. There is no charge to list.

Abbreviations: CiteAb

Synonyms: CiteAb: The Antibody Search Engine

Resource Type: data or information resource, database
