Description: We are a vibrant community of educators, students, scientists, clinicians and others working side-by-side to heal, teach, discover and serve. We support 1,750 faculty, 1,200 students and 750 residents and fellows in 27 departments and 17 centers and institutes. We offer doctorates in medicine and philosophy, masters in science, public health and physician assistant studies and combined degrees. Our faculty is dedicated to preparing physicians for the medical, ethical and humanistic responsibilities of their calling, while also providing outstanding care to patients from Oregon and elsewhere. Along with the art of teaching and healing comes the responsibility for discovery. The School of Medicine faculty is widely recognized nationally and internationally for the pursuit of new knowledge in a breadth of investigative areas ranging from molecular biology and cancer to heart disease, behavioral science and issues of public health.
