Zebra Finch Expression Brain Atlas

RRID:SCR_012988

Type: Tool

Proper Citation

Zebra Finch Expression Brain Atlas (RRID:SCR_012988)

Resource Information

URL: <http://www.zebrafinchatlas.org>

Proper Citation: Zebra Finch Expression Brain Atlas (RRID:SCR_012988)

Description: Expression atlas of in situ hybridization images from large collection of genes expressed in brain of adult male zebra finches. Goal of ZEBrA project is to develop publicly available on-line digital atlas that documents expression of large collection of genes within brain of adult male zebra finches.

Abbreviations: ZEBrA

Synonyms: zebra, , Zebra Finch Expression Brain Atlas, atlas, Zebra Finch Brain Atlas, ZEBrA, finch

Resource Type: atlas, data or information resource, database, expression atlas

Keywords: gene, expression, brain, in-situ, hybridization, taeniopygia, vocal learning, anatomical, atlas, data set, molecular neuroanatomy, adult, male, gene, image, bird, image, avian

Funding: NIGMS R24 GM092842;
NINDS R03 NS059755

Availability: Free, Freely available

Resource Name: Zebra Finch Expression Brain Atlas

Resource ID: SCR_012988

Alternate IDs: nif-0000-24345, SCR_000641, nlx_152091

Old URLs: <http://ignrhnet.ohsu.edu/finch/songbird/index.php>

Record Creation Time: 20220129T080313+0000

Ratings and Alerts

No rating or validation information has been found for Zebra Finch Expression Brain Atlas.

No alerts have been found for Zebra Finch Expression Brain Atlas.
