BD Accuri C6 Plus

RRID:SCR_014422

Type: Tool

Proper Citation

BD Accuri C6 Plus (RRID:SCR_014422)

Resource Information

URL: <https://www.bdbiosciences.com/us/instruments/research/cell-analyzers/bd-accuri/m/1294932/features/software>

Proper Citation: BD Accuri C6 Plus (RRID:SCR_014422)

Description: Software used for collecting and analyzing flow cytometry data. Files can be exported in FCS 3.1 format for import into other flow cytometry analysis programs such as FCS Express™ software and FlowJo™ software.

Resource Type: data acquisition software, software resource, software application, data analysis software, data processing software

Keywords: data analysis software, data acquisition software, flow cytometry, flow cytometry analysis program

Availability: Commercial product

Resource Name: BD Accuri C6 Plus

Resource ID: SCR_014422

License URLs: <https://www.bdbiosciences.com/us/s/termsandconditions>

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260808T190024+0000

Ratings and Alerts

No rating or validation information has been found for BD Accuri C6 Plus.

No alerts have been found for BD Accuri C6 Plus.

Data and Source Information

Usage and Citation Metrics

We found 56 mentions in open access literature.

Listed below are recent publications. The full list is available at [T1D](#) .
