Type: Tool

Proper Citation

National Animal Germplasm Program (NAGP) (RRID:SCR_014600)

Resource Information

URL: http://nrrc.ars.usda.gov/A-GRIN/main_webpage/ars?record_source=US

Proper Citation: National Animal Germplasm Program (NAGP) (RRID:SCR_014600)

Description: A national germplasm database where users can donate or request germplasms from a variety of non-human animals, including fish, invertebrates, bison, elk, pig, turkey, and yak. Germ plasm types include white blood cells, embryo, heart, larvae, liver, muscle, oocyte, ovarian tissue, DNA, red blood cells, semen, skin, sperm, spleen, testicular tissue, and blood.

Abbreviations: NAGP

Synonyms: National Animal Germplasm Program, US Animal Germplasm Program

Resource Type: biomaterial supply resource, material resource, tissue bank

Keywords: germplasm, database, germ plasm, tissue bank, taxonomy

Availability: Available to the research community

Resource Name: National Animal Germplasm Program (NAGP)

Resource ID: SCR_014600

Record Creation Time: 20220129T080321+0000

Record Last Update: 20260808T190437+0000

Ratings and Alerts

No rating or validation information has been found for National Animal Germplasm Program (NAGP).

No alerts have been found for National Animal Germplasm Program (NAGP).
