Mass Spectral Library

RRID:SCR_014668

Type: Tool

Proper Citation

Mass Spectral Library (RRID:SCR_014668)

Resource Information

URL: <https://www.nist.gov/srd/nist-standard-reference-database-1a-v14>

Proper Citation: Mass Spectral Library (RRID:SCR_014668)

Description: A library containing spectra upwards of 200,000 chemical compounds. Spectra include metabolites, peptides, contaminants, and lipids. All spectra and chemical structures are examined by professionals.

Resource Type: data or information resource, database

Keywords: library, database, spectra, mass spectrometry, metabolomics, metabolites, protein, lipid, contaminant

Availability: Available with the NIST MS Search Program for Windows

Resource Name: Mass Spectral Library

Resource ID: SCR_014668

Record Creation Time: 20220129T080321+0000

Record Last Update: 20260729T044331+0000

Ratings and Alerts

No rating or validation information has been found for Mass Spectral Library.

No alerts have been found for Mass Spectral Library.

Data and Source Information
