TranslatorX

RRID:SCR_014733

Type: Tool

Proper Citation

TranslatorX (RRID:SCR_014733)

Resource Information

URL: <http://translatorx.co.uk/>

Proper Citation: TranslatorX (RRID:SCR_014733)

Description: Nucleotide sequence alignment and alignment cleaning based on amino acid information. Users can paste nt-sequences into the application and select the desired protein alignment method and the genetic code, and the option for alignment cleaning., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource, web application

Defining Citation: [DOI:10.1093/nar/gkq291](https://doi.org/10.1093/nar/gkq291)

Keywords: nucleotide sequence, sequence alignment, amino acid, alignment cleaning, sequence analysis software

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: TranslatorX

Resource ID: SCR_014733

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260903T235257+0000

Ratings and Alerts

No rating or validation information has been found for TranslatorX.

No alerts have been found for TranslatorX.

Data and Source Information

Usage and Citation Metrics

We found 416 mentions in open access literature.

Listed below are recent publications. The full list is available at [T1D](#).
