International Image Interoperability Framework

RRID:SCR_015029

Type: Tool

Proper Citation

International Image Interoperability Framework (RRID:SCR_015029)

Resource Information

URL: <http://iiif.io/#plug-'n'-play-software>

Proper Citation: International Image Interoperability Framework (RRID:SCR_015029)

Description: Set of shared application programming interface specifications for interoperable functionality in digital image repositories. It utilizes JSON-LD, linked data, and standard W3C web protocols to parse and share digital image data, migrate across technology systems, and provide enhanced image access.

Abbreviations: IIIF

Synonyms: International Image Interoperability Framework (IIIF)

Resource Type: systems interoperability software, software resource, software application, collaboration tool

Keywords: interoperability, framework, consortium, image delivery, image sharing, image community

Availability: Available to the scientific community

Resource Name: International Image Interoperability Framework

Resource ID: SCR_015029

Record Creation Time: 20220129T080323+0000

Record Last Update: 20260808T190038+0000
