NONMEM

RRID:SCR_016986

Type: Tool

Proper Citation

NONMEM (RRID:SCR_016986)

Resource Information

URL: <https://www.iconplc.com/innovation/nonmem/>

Proper Citation: NONMEM (RRID:SCR_016986)

Description: Software tool for nonlinear mixed effects modelling. Used for population pharmacokinetic and pharmacodynamic analysis and to simulate data and to fit data. Used in the development of new drugs. NONMEM versions up through 6 are the property of the Regents of the University of California, San Francisco, but ICON Development Solutions has exclusive rights to license their use. NONMEM 7 up to the current version is the property of ICON Development Solutions.

Abbreviations: Nonmem

Synonyms: NONMEM 7.4, NONMEM 7, Nonlinear mixed effects modelling software, NONMEM 7.2, NONlinear Mixed Effects Modeling software, population analysis

Resource Type: data analysis software, data processing software, simulation software, software application, software resource

Keywords: nonlinear, mixed, effect, modeling, pharmacokinetic, pharmacodynamic, analysis, data

Availability: Commercially available

Resource Name: NONMEM

Resource ID: SCR_016986

License: Proprietary software license

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260903T235830+0000

Ratings and Alerts

No rating or validation information has been found for NONMEM.

No alerts have been found for NONMEM.
