Colorado University at Boulder Macromolecular X-ray Crystallography Core Facility

RRID:SCR_019310

Type: Tool

Proper Citation

Colorado University at Boulder Macromolecular X-ray Crystallography Core Facility
(RRID:SCR_019310)

Resource Information

URL: <https://www.colorado.edu/facility/biomolecular-x-ray-crystallography/>

Proper Citation: Colorado University at Boulder Macromolecular X-ray Crystallography Core Facility (RRID:SCR_019310)

Description: Provides resources for crystallization and structure determination of biological macromolecules and complexes. Supports research in the Department of Biochemistry. We are happy to extend our help to researchers from the broader CU community and to researchers outside the university, if time and availability allow us too.

Synonyms: Macromolecular X-ray Crystallography Core

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, ABRF

Availability: open

Resource Name: Colorado University at Boulder Macromolecular X-ray Crystallography Core Facility

Resource ID: SCR_019310

Alternate IDs: ABRF_1122

Alternate URLs: <https://coremarketplace.org/?FacilityID=1122>

Record Creation Time: 20220129T080344+0000

Record Last Update: 20260904T000829+0000

Ratings and Alerts

No rating or validation information has been found for Colorado University at Boulder Macromolecular X-ray Crystallography Core Facility.

No alerts have been found for Colorado University at Boulder Macromolecular X-ray Crystallography Core Facility.
