Adaptive Immune Receptor Repertoire Data Commons API Specification

RRID:SCR_022591

Type: Tool

Proper Citation

Adaptive Immune Receptor Repertoire Data Commons API Specification
(RRID:SCR_022591)

Resource Information

URL: https://docs.airr-community.org/en/stable/api/adc_api.html

Proper Citation: Adaptive Immune Receptor Repertoire Data Commons API Specification
(RRID:SCR_022591)

Description: Provides programmatic access to query and download AIRR-seq data. ADC API uses JSON as its communication format, and standard HTTP methods like GET and POST. ADC API is read only and mechanism of inclusion of AIRR-seq studies into data repository is left up to repository. ADC API Specification explains how to construct and execute API requests and interpret API responses.

Resource Type: data or information resource, portal, narrative resource, standard specification, topical portal

Defining Citation: [PMID:29144493](https://pubmed.ncbi.nlm.nih.gov/29144493/)

Keywords: AIRR-seq data programmatic access, AIRR-seq studies, construct and execute API requests, interpret API responses

Availability: Free, Freely available

Resource Name: Adaptive Immune Receptor Repertoire Data Commons API Specification

Resource ID: SCR_022591
