Proper Citation

Adaptive Immune Receptor Repertoire Software Guidelines (RRID:SCR_022595)

Resource Information

URL: https://docs.airr-community.org/en/stable/swtools/airr_swtools_standard.html

Proper Citation: Adaptive Immune Receptor Repertoire Software Guidelines (RRID:SCR_022595)

Description: AIRR Software Guidelines were created by AIRR Software Working Group to promote standards for AIRR software tools and resources in order to enable rigorous and reproducible immune repertoire research at largest scale possible. Established standards for software tools. Authors whose tools comply with this standard will, subject to ratification from AIRR Software WG, be permitted to advertise their tools as being AIRR compliant. Guidelines include compliance checklist, list of compliant tools, and recommended software evaluation data sets.

Resource Type: data or information resource, portal, narrative resource, standard specification, topical portal

Keywords: standards for AIRR software tools and resources, AIRR compliant, compliance checklist, list of compliant tools, recommended software evaluation data sets

Availability: Free, Freely available

Resource Name: Adaptive Immune Receptor Repertoire Software Guidelines

Resource ID: SCR_022595
