Minimal information about Adaptive Immune Receptor Repertoires

RRID:SCR_022596

Type: Tool

Proper Citation

Minimal information about Adaptive Immune Receptor Repertoires (RRID:SCR_022596)

Resource Information

URL: https://docs.airr-community.org/en/stable/miairr/introduction_miairr.html

Proper Citation: Minimal information about Adaptive Immune Receptor Repertoires (RRID:SCR_022596)

Description: Checklist of minimally required information that we recommend journals adopt, and that could form requirements for submission to public data repository. AIRR sequencing studies apply high throughput sequencing technologies to profile B cell receptors (BCRs) and T cell receptors (TCRs). Standards were developed by AIRR Community Minimal Standards Working Group.

Abbreviations: MiAIRR

Resource Type: data or information resource, portal, narrative resource, standard specification, topical portal

Keywords: Checklist of minimally required information journals adopt, public data repository requirements, AIRR Community Minimal Standards Working Group standards

Availability: Free, Freely available

Resource Name: Minimal information about Adaptive Immune Receptor Repertoires

Resource ID: SCR_022596

Alternate URLs: <https://fairsharing.org/FAIRsharing.31hec1>

Record Creation Time: 20220728T050150+0000

Record Last Update: 20260801T042853+0000

Ratings and Alerts

No rating or validation information has been found for Minimal information about Adaptive Immune Receptor Repertoires.

No alerts have been found for Minimal information about Adaptive Immune Receptor Repertoires.
