SMILE

RRID:SCR_024119

Type: Tool

Proper Citation

SMILE (RRID:SCR_024119)

Resource Information

URL: http://www-igm.univ-mlv.fr/~marsan/smile_english.html

Proper Citation: SMILE (RRID:SCR_024119)

Description: Software tool that infers motifs in set of sequences to infer exceptional sites as binding sites in DNA sequences. 1.4 version allows to infer motifs written on any alphabet in any kind of sequences. Allows to deal with motifs associated by some distance constraints. Used to group under unique model different occurrences composed of several boxes separated by spacers of different lengths.

Synonyms: mlv-smile

Resource Type: software application, software resource

Keywords: infers motifs in set of sequences, binding sites in DNA sequences, distance constraints,

Availability: Free, Available for download, Freely available,

Resource Name: SMILE

Resource ID: SCR_024119

Alternate IDs: OMICS_20188

Alternate URLs: <https://sources.debian.org/src/mlv-smile/>

Record Creation Time: 20230824T050212+0000

Record Last Update: 20260904T000538+0000

Ratings and Alerts
