Parsnp

RRID:SCR_024153

Type: Tool

Proper Citation

Parsnp (RRID:SCR_024153)

Resource Information

URL: <https://harvest.readthedocs.io/en/latest/content/parsnp.html>

Proper Citation: Parsnp (RRID:SCR_024153)

Description: Software to align the core genome of hundreds to thousands of bacterial genomes. Input can be both draft assemblies and finished genomes, and output includes variant (SNP) calls, core genome phylogeny and multi-alignments. Parsnp leverages contextual information provided by multi-alignments surrounding SNP sites for filtration/cleaning, in addition to existing tools for recombination detection/filtration and phylogenetic reconstruction.

Synonyms: parsnp

Resource Type: software library, software resource, software toolkit

Defining Citation: [PMID:25410596](#)

Keywords: align core genome, bacterial genomes,

Availability: Free, Available for download, Freely available,

Resource Name: Parsnp

Resource ID: SCR_024153

Alternate IDs: OMICS_21461

Alternate URLs: <https://sources.debian.org/src/parsnp/>, <https://github.com/marbl/parsnp>

Record Creation Time: 20230824T050212+0000

Record Last Update: 20260904T000041+0000

Ratings and Alerts

No rating or validation information has been found for Parsnp.

No alerts have been found for Parsnp.

Data and Source Information
