PLIP

RRID:SCR_024173

Type: Tool

Proper Citation

PLIP (RRID:SCR_024173)

Resource Information

URL: <https://plip-tool.biotec.tu-dresden.de/plip-web/plip/index>

Proper Citation: PLIP (RRID:SCR_024173)

Description: Software application as protein?ligand interaction profiler to identify non-covalent interactions between biological macromolecules and their ligands. Provides atom level information on binding characteristics as well as publication ready visualizations and parsable output files. PLIP web tool is based on PLIP command line tool and offers graphical interface for analysis of few structures.

Synonyms: Protein-Ligand Interaction Profiler, plip

Resource Type: software library, software resource, software toolkit

Defining Citation: [DOI:10.1093/nar/gkv315](https://doi.org/10.1093/nar/gkv315)

Keywords: Protein Ligand Interaction Profiler,

Availability: Free, Available for download, Freely available,

Resource Name: PLIP

Resource ID: SCR_024173

Alternate IDs: OMICS_08028

Alternate URLs: <https://sources.debian.org/src/plip/>, <https://github.com/pharmai/plip>

License: GPL-2.0 license

Record Creation Time: 20230824T050212+0000

Record Last Update: 20260904T000042+0000

Ratings and Alerts

No rating or validation information has been found for PLIP.

No alerts have been found for PLIP.
