DAGitty

RRID:SCR_024509

Type: Tool

Proper Citation

DAGitty (RRID:SCR_024509)

Resource Information

URL: <https://cran.r-project.org/web/packages/dagitty/>

Proper Citation: DAGitty (RRID:SCR_024509)

Description: Software R package provides access to all of the capabilities of DAGitty web application for drawing and analysing Directed Acyclic Graphs within the R platform for statistical computing. Used for graphical analysis of structural causal models.

Resource Type: software resource, software toolkit

Defining Citation: [PMID:28089956](#)

Keywords: graphical analysis of structural causal models, drawing and analysing Directed Acyclic Graphs,

Availability: Free, Available for download, Freely available

Resource Name: DAGitty

Resource ID: SCR_024509

Alternate URLs: <https://github.com/jtextor/dagitty>

License: GNU GPL v2.0

Record Creation Time: 20231002T161336+0000

Record Last Update: 20260904T000029+0000

Ratings and Alerts

No rating or validation information has been found for DAGitty.

No alerts have been found for DAGitty.
