METABRIC

RRID:SCR_028351

Type: Tool

Proper Citation

METABRIC (RRID:SCR_028351)

Resource Information

URL: <https://ega-archive.org/studies/EGAS00000000083>

Proper Citation: METABRIC (RRID:SCR_028351)

Description: Molecular Taxonomy of the Breast Cancer International Consortium (METABRIC) is a landmark study and dataset comprising primary breast tumour samples with detailed genomic, transcriptomic, and clinical data. It identified ten distinct "integrative clusters" (IntClust) based on copy number aberrations and gene expression, revealing new, clinically relevant subtypes with varying prognoses.

Synonyms: Molecular Taxonomy of the Breast Cancer International Consortium (METABRIC)

Resource Type: consortium, data or information resource, organization portal, portal

Keywords: European Genome-phenome Archive, breast cancer, primary breast tumour samples, genomic data, transcriptomic data, clinical data,

Availability: Free, Freely available,

Resource Name: METABRIC

Resource ID: SCR_028351

Record Creation Time: 20260430T063406+0000

Record Last Update: 20260912T200548+0000

Ratings and Alerts

No rating or validation information has been found for METABRIC.

No alerts have been found for METABRIC.
