wateRmelon

RRID:SCR_001296

Type: Tool

Proper Citation

wateRmelon (RRID:SCR_001296)

Resource Information

URL: <http://www.bioconductor.org/packages/release/bioc/html/wateRmelon.html>

Proper Citation: wateRmelon (RRID:SCR_001296)

Description: Software package for Illumina 450 methylation array normalization and metrics including 15 flavors of betas and three performance metrics, with methods for objects produced by methylumi, minfi and IMA packages.

Abbreviations: wateRmelon

Resource Type: software resource

Defining Citation: [PMID:23631413](#)

Keywords: dna methylation, microarray, preprocessing, quality control, two channel, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: wateRmelon

Resource ID: SCR_001296

Alternate IDs: OMICS_02039, biotools:watermelon

Alternate URLs: <https://bio.tools/watermelon>

License: GNU General Public License, v4

Record Creation Time: 20220129T080206+0000

Record Last Update: 20260801T190146+0000

Ratings and Alerts

No rating or validation information has been found for watermelon.

No alerts have been found for watermelon.
