GTEX eQTL Browser

RRID:SCR_001618

Type: Tool

Proper Citation

GTEX eQTL Browser (RRID:SCR_001618)

Resource Information

URL: <https://gtexportal.org/home/>

Proper Citation: GTEX eQTL Browser (RRID:SCR_001618)

Description: Database and browser that provides a central resource to archive and display association between genetic variation and high-throughput molecular-level phenotypes. This effort originated with the NIH GTEx roadmap project: however the scope of this resource will be extended to include any available genotype/molecular phenotype datasets.

Synonyms: NCBI GTEx eQTL Browser, Genotype-Tissue Expression eQTL Browser, GTEx (Genotype-Tissue Expression) eQTL Browser, NCBI GTeX eQTL Browser

Resource Type: data or information resource, database

Keywords: genetic variation, high-throughput, phenotype, genotype, molecular, molecule, gene, gene expression, snp, trait, expression, quantitative trait locus, expression quantitative trait locus, genome, probe, sequence, statistics, p-value, rna-seq, array, lymphoblastoid, liver, cerebellum, frontal cortex, temporal cortex, pons, gene regulation, tissue, mrna, data set

Funding: NIH Common Fund 268201000029C-4-0-2

Availability: Free, Freely available

Resource Name: GTEX eQTL Browser

Resource ID: SCR_001618

Alternate IDs: nlx_153884

Alternate URLs: <http://www.gtexportal.org/home/>

Record Creation Time: 20220129T080208+0000

Ratings and Alerts

No rating or validation information has been found for GTEx eQTL Browser.

No alerts have been found for GTEx eQTL Browser.

Data and Source Information
