ImaGene

RRID:SCR_002178

Type: Tool

Proper Citation

ImaGene (RRID:SCR_002178)

Resource Information

URL: <https://www.biodiscovery.com/search/node?keys=Imagene>

Proper Citation: ImaGene (RRID:SCR_002178)

Description: Software tool as convolutional neural network to quantify natural selection from genomic data. Supervised machine learning algorithm to predict natural selection and estimate selection coefficients from population genomic data. Can be used to estimate any parameter of interest from evolutionary population genetics model., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16, 2025.

Resource Type: data processing software, software application, data analysis software, software resource

Defining Citation: [PMID:31757205](#)

Keywords: microarray analysis, machine vision, convolutional neural network, quantify natural selection, genomic data, population genomic data, evolutionary population, genetics model, bio.tools

Funding: Imperial College London ;
Politecnico di Milano

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: ImaGene

Resource ID: SCR_002178

Alternate IDs: biotools:ImaGene, OMICS_00841

Alternate URLs: <https://github.com/mfumagalli/ImaGene>, <https://bio.tools/ImaGene>

Old URLs: <http://www.biodiscovery.com/software/imagene/>

License: GNU GPL v3

Record Creation Time: 20220129T080212+0000

Record Last Update: 20260731T042632+0000

Ratings and Alerts

No rating or validation information has been found for ImaGene.

No alerts have been found for ImaGene.
