## JGI Genome Portal

RRID:SCR\_002383

Type: Tool

### Proper Citation

JGI Genome Portal (RRID:SCR\_002383)

### Resource Information

**URL:** <http://genome.jgi.doe.gov/>

**Proper Citation:** JGI Genome Portal (RRID:SCR\_002383)

**Description:** Portal providing access to all JGI genomic databases and analytical tools, sequencing projects and their status, search for and download assemblies and annotations of sequenced genomes, and interactively explore those genomes and compare them with other sequenced microbes, fungi, plants or metagenomes using specialized systems tailored to each particular class of organisms. The Department of Energy (DOE) Joint Genome Institute (JGI) is a national user facility with massive-scale DNA sequencing and analysis capabilities dedicated to advancing genomics for bioenergy and environmental applications. Beyond generating tens of trillions of DNA bases annually, the Institute develops and maintains data management systems and specialized analytical capabilities to manage and interpret complex genomic data sets, and to enable an expanding community of users around the world to analyze these data in different contexts over the web.

**Synonyms:** JGI Genome Portal, DOE Joint Genome Institute Genome Portal

**Resource Type:** data or information resource, organization portal, department portal, portal

**Defining Citation:** [PMID:24225321](#), [PMID:22110030](#)

**Keywords:** gene, computation, genome, genomics, model organism, assembly, annotation, sequenced genome, metagenome, bio.tools

**Funding:** Department of Energy

**Resource Name:** JGI Genome Portal

**Resource ID:** SCR\_002383

**Alternate IDs:** nif-0000-21230, SCR\_004706, OMICS\_01654, biotools:jgi\_genome\_portal, nlx\_69965
