NeuroScope

RRID:SCR_002455

Type: Tool

Proper Citation

NeuroScope (RRID:SCR_002455)

Resource Information

URL: <http://www.nitrc.org/projects/neuroscope/>

Proper Citation: NeuroScope (RRID:SCR_002455)

Description: An advanced viewer for electrophysiological and behavioral data: it can display local field potentials (EEG), neuronal spikes, behavioral events, as well as the position of the animal in the environment. It also features limited editing capabilities.

Abbreviations: NeuroScope

Resource Type: data processing software, software application, software resource, data visualization software

Defining Citation: [PMID:16580733](#)

Keywords: eeg, meg, electrocorticography, behavior, neuronal spike, behavioral event, edit

Availability: Free, Freely available

Resource Name: NeuroScope

Resource ID: SCR_002455

Alternate IDs: nlx_155828

License: GNU General Public License

Record Creation Time: 20220129T080213+0000

Record Last Update: 20260731T042638+0000

Ratings and Alerts

No rating or validation information has been found for NeuroScope.

No alerts have been found for NeuroScope.

Data and Source Information
