pIRS

RRID:SCR_002519

Type: Tool

Proper Citation

pIRS (RRID:SCR_002519)

Resource Information

URL: <http://code.google.com/p/pirs/>

Proper Citation: pIRS (RRID:SCR_002519)

Description: Software for de novo data simulation. It uses empirical distribution to reproduce Illumina pair-end reads with real distribution of substitution sequencing errors, quality values and GC%-depth bias.

Synonyms: pIRS (profile based Illumina pair-end Reads Simulator), profile based Illumina pair-end Reads Simulator

Resource Type: simulation software, software resource, software application

Defining Citation: [PMID:22508794](#)

Keywords: de novo data simulation, empirical distribution, illumina pair-end read, substitution sequencing error, gc depth bias

Availability: Free, Available for download, Freely available

Resource Name: pIRS

Resource ID: SCR_002519

Alternate IDs: OMICS_00254

License: New BSD License

License URLs: <https://opensource.org/licenses/BSD-3-Clause>

Record Creation Time: 20220129T080213+0000

Record Last Update: 20260731T042629+0000

Ratings and Alerts

No rating or validation information has been found for pIRS.

No alerts have been found for pIRS.
