## Signed Differential Mapping

RRID:SCR\_002554

Type: Tool

### Proper Citation

Signed Differential Mapping (RRID:SCR\_002554)

### Resource Information

**URL:** <http://www.sdmproject.com/>

**Proper Citation:** Signed Differential Mapping (RRID:SCR\_002554)

**Description:** Statistical method and software for conducting image- and coordinate-based meta-analysis of neuroimaging studies investigating differences in brain activity (e.g. BOLD response in fMRI, metabolism in PET) or structure (e.g. gray matter volume in VBM, voxel-based or TBSS white matter fractional anisotropy in DTI, etcetera).

**Abbreviations:** SDM

**Resource Type:** software resource

**Keywords:** magnetic resonance, pet, spect, fmri, vbm, meta-analysis

**Availability:** Free, Available for download, Freely available

**Resource Name:** Signed Differential Mapping

**Resource ID:** SCR\_002554

**Alternate IDs:** nlx\_155962

**Alternate URLs:** <http://www.nitrc.org/projects/sdm>

**Record Creation Time:** 20220129T080214+0000

**Record Last Update:** 20260725T190525+0000

### Ratings and Alerts

No rating or validation information has been found for Signed Differential Mapping.

No alerts have been found for Signed Differential Mapping.

## Data and Source Information

**Source:** [SciCrunch Registry](#)

## Usage and Citation Metrics

We found 150 mentions in open access literature.

**Listed below are recent publications.** The full list is available at [kravitz2](#) .
