Basic4Cseq

RRID:SCR_002836

Type: Tool

Proper Citation

Basic4Cseq (RRID:SCR_002836)

Resource Information

URL: <http://www.bioconductor.org/packages/release/bioc/html/Basic4Cseq.html>

Proper Citation: Basic4Cseq (RRID:SCR_002836)

Description: An R/Bioconductor package for basic filtering, analysis and subsequent near-cis visualization of 4C-seq data. Virtual fragment libraries can be created for any BSGenome package, and filter functions for both reads and fragments and basic quality controls are included. Fragment data in the vicinity of the experiment's viewpoint can be visualized as a coverage plot based on a running median approach and a multi-scale contact profile.

Synonyms: Basic4Cseq: an R/Bioconductor package for analyzing 4C-seq data

Resource Type: software resource

Defining Citation: [PMID:25078398](#)

Keywords: software package, unix/linux, mac os x, windows, r, quality control, visualization

Availability: Free, Freely available, Available for download

Resource Name: Basic4Cseq

Resource ID: SCR_002836

Alternate IDs: OMICS_05202

License: GNU Lesser General Public License, v3

Record Creation Time: 20220129T080215+0000

Record Last Update: 20260725T190535+0000

Ratings and Alerts

No rating or validation information has been found for Basic4Cseq.

No alerts have been found for Basic4Cseq.
