rDiff

RRID:SCR_003162

Type: Tool

Proper Citation

rDiff (RRID:SCR_003162)

Resource Information

URL: <http://cbio.mskcc.org/public/raetschlab/user/drewe/rdiff/>

Proper Citation: rDiff (RRID:SCR_003162)

Description: Software tool for detecting differential RNA processing from RNA-Seq data. It implements two statistical tests, rDiff.parametric and rDiff.nonparametric, to detect changes of the RNA processing between two samples.

Resource Type: data processing software, sequence analysis software, data analysis software, software resource, software application

Defining Citation: [PMID:23585274](#)

Keywords: differential rna processing, rna processing, rna seq

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: rDiff

Resource ID: SCR_003162

Alternate IDs: OMICS_01338

Record Creation Time: 20220129T080217+0000

Record Last Update: 20260731T042648+0000

Ratings and Alerts

No rating or validation information has been found for rDiff.

No alerts have been found for rDiff.

Data and Source Information

Usage and Citation Metrics

We found 6 mentions in open access literature.

Listed below are recent publications. The full list is available at [kravitz2](#) .
