BMIQ

RRID:SCR_003446

Type: Tool

Proper Citation

BMIQ (RRID:SCR_003446)

Resource Information

URL: <https://code.google.com/p/bmiq/>

Proper Citation: BMIQ (RRID:SCR_003446)

Description: Software using a beta-mixture quantile normalization method for correcting probe design bias in Illumina Infinium 450 k DNA methylation data.

Abbreviations: BMIQ

Synonyms: bmiq - Beta Mixture Quantile Model, Beta Mixture Quantile dilation

Resource Type: software resource

Defining Citation: [PMID:23175756](#)

Keywords: illumina infinium 450k, dna methylation, probe design, normalization

Availability: Free, Available for download, Freely available

Resource Name: BMIQ

Resource ID: SCR_003446

Alternate IDs: OMICS_02304

Alternate URLs: <https://aeteschendorff-lab.github.io/software/BMIQ/>

Record Creation Time: 20220129T080219+0000

Record Last Update: 20260725T190540+0000

Ratings and Alerts

No rating or validation information has been found for BMIQ.

No alerts have been found for BMIQ.
