RegulonDB

RRID:SCR_003499

Type: Tool

Proper Citation

RegulonDB (RRID:SCR_003499)

Resource Information

URL: <http://regulondb.ccg.unam.mx/>

Proper Citation: RegulonDB (RRID:SCR_003499)

Description: Database on transcriptional regulation in Escherichia coli K-12 containing knowledge manually curated from original scientific publications, complemented with high throughput datasets and comprehensive computational predictions. Graphic and text-integrated environment with friendly navigation where regulatory information is always at hand. They provide integrated views to understand as well as organized knowledge in computable form. Users may submit data to make it publicly available.

Abbreviations: RegulonDB

Resource Type: data or information resource, database

Defining Citation: [PMID:23203884](#)

Keywords: transcription, gene regulation, operon, bacteria, evolutionary conservation, regulatory phrase, transcriptional regulation, transcriptional regulatory network, bio.tools, FASEB list

Funding: NIGMS GM071962;

NIGMS GM077678;

Consejo Nacional de Ciencia y Tecnologia 103686;

Consejo Nacional de Ciencia y Tecnologia 179997;

Programa de Apoyo a Proyectos de Investigacion e Innovacion Tecnologica IN210810;

Programa de Apoyo a Proyectos de Investigacion e Innovacion Tecnologica IN209312

Resource Name: RegulonDB

Resource ID: SCR_003499

Alternate IDs: nif-0000-03399, OMICS_01868, biotools:regulondb

Alternate URLs: <https://bio.tools/regulondb>

Record Creation Time: 20220129T080219+0000

Record Last Update: 20260729T044048+0000

Ratings and Alerts

No rating or validation information has been found for RegulonDB.

No alerts have been found for RegulonDB.
