elements of morphology

RRID:SCR_003707
Type: Tool

Proper Citation

elements of morphology (RRID:SCR_003707)

Resource Information

URL: http://elementsofmorphology.nih.gov/

Proper Citation: elements of morphology (RRID:SCR_003707)

Description: Data set of standardized terms used to describe human morphology including definitions of terms for the craniofacies in general, the major components of the face, and the hands and feet. This provides a uniform and internationally accepted terms to describe the human phenotype.

Synonyms: Human Malformation Terminology, Elements of Morphology: Human Malformation Terminology

Resource Type: data or information resource, international standard specification, narrative resource, standard specification, data set

Defining Citation: PMID:19127575, PMID:19125436, PMID:19125433, PMID:19125428, PMID:19152422, PMID:19152421

Keywords: dysmorphology, morphology, malformation, face, hand, foot, facial feature, phenotype, nose, philtrum, ear, lip, mouth, oral region, head, face, periorbital, terminology, vocabulary

Funding: NIH

Availability: Public domain, Acknowledgement requested

Resource Name: elements of morphology

Resource ID: SCR_003707

Alternate IDs: nlx_157874

Record Creation Time: 20220129T080220+0000

Record Last Update: 20260801T042537+0000

Ratings and Alerts

No rating or validation information has been found for elements of morphology.

No alerts have been found for elements of morphology.

Data and Source Information

Source: SciCrunch Registry

Usage and Citation Metrics

We found 4 mentions in open access literature.

Listed below are recent publications. The full list is available at kravitz2 .
